A CHARITY EVENT BENEFITING CAMP SOUTHERN GROUND

Nestled on over 400 acres in the farmlands of Georgia, Camp Southern Ground is the passion-project of GRAMMY Award winning artist Zac Brown. Inspired by his own experience as a camp counselor, Zac's vision is to create a state-of-the-art inclusive camp that will serve children ages 7-17, from all socioeconomic backgrounds, races and religions, with programs of purpose involving superior nutrition, nature, music, arts and leadership. We will bring together typically developing children, children with Autism Spectrum Disorders (ASD), learning and attention issues such as ADHD, Dyslexia, and social or emotional challenges. We will also support and include children of military families as a vital part of our camper population. Camp Southern Ground will also serve the needs of military families in partnering with other world-class organizations who offer respite, care for post traumatic stress and traumatic brain injury, and strengthening the bonds of marriage and family relationships.

Camp Southern Ground is a 501(c)(3) non-profit.
